EXTERIOR FINISH OPTIONS

WOOD PRINT COLORS

All doors, drawer fronts, and paneled ends are made with a Western Pine Core, Thermofused Melamine. These high pressure laminates have enhanced textures and realistic and trendy patterns that are made with 100% recycled and recovered materials. The tough outer coating provides durability and resistance to external elements, also making them very easy to clean.

PREMIUM FEATURES

ADJUSTABLE HINGES

Each cabinet features *Silice* 6-way adjustable, demountable, hidden hinges.

STAINLESS STEEL HARDWARE

Stainless-steel bar pulls hardware included with each cabinet.

SOFT-CLOSE DRAWERS

5/8" thermally fused white melamine drawers that are mortise & tenon. All drawers include undermount soft close drawer guides.

ADJUSTABLE SHELVES

3/4" white melamine adjustable shelves

HANGING ROD

Optional chrome hanging rod that can be inserted in a cabinet of any size.

PREMIUM FEATURES

TOP OPTION

All cabinets come with a high-pressure laminate top with a D edge and a high definition finish. These tops provide the optimal work surface with their built in Antimicrobial Protection and enhanced scratch and scuff resistant technology.

This top comes in multi-color granite that blends greys and browns with black accents in a rich stone.

LEG OPTION

Each base cabinet has 6 to 7 ¾" adjustable stainless-steel legs.
